BUY NOW...PAY LATER

3 – 6 month deferred payments options available! Take delivery of your equipment and start realizing profits before making your first payment.

CUSTOMIZED TERMS

Term structures from 24 – 84 months. CCS provides seasonal, step, quarterly, annual, payments all designed to help you acquire the equipment you need with terms you can afford.

ADD SOFT COSTS

Equipment, accessories, shipping, software, service fees can be rolled into single finance agreement for the most cost effective acquisition.

IMPROVE CASH FLOW

Maintain your cash position and increase your liquidity potential by financing your equipment instead of using cash to purchase equipment.

IRS SECTION 179

2019 IRS Section 179 Qualified Financing means more money in your pocket. Businesses can now deduct the full cost of equipment from their 2019 taxes, up to \$1,000,000 benefiting the company's bottom line at year end.

International Technologies, Inc has partnered with Complete Capital Services to provide financing for your next purchase. With affordable monthly payment options you can easily access the equipment your business needs to succeed.
