Why Finance?

The team at SFR will customize a finance solution to meet your specific needs, ensuring that your financing experience is **QUICK, SIMPLE, and STRESS-FREE.**

✓ CASH FLOW MANAGEMENT

Fixed monthly payments, low initial investment, 100% financing of the invoice.

✓ LEASE OR FINANCE OPTION

Choose the best contract type for your needs.

✓ FLEXIBLE TERMS

Up to 60 month terms.

✓ SEASONAL PAYMENTS

Safeguard your cash flow during slower months by making larger payments during peak season and reduced payments during the off-season.

✓ DEFERRED PAYMENTS

90 day deferral options give you more time before the first payment is due.

✓ NO BLANKET LIEN

No blanket liens filed on your business assets.

✓ TAX ADVANTAGES

Financing may qualify for the section 179 deduction. Please talk to your tax professional to discuss your specific situation.

✓ FIXED PAYMENTS

In contrast to your line of credit, our payments remain fixed. Regardless of future market fluctuations, your payment terms are secured.

✓ LINES OF CREDIT PROTECTED

Financing with SFR won't affect your bank credit lines, allowing you to preserve your borrowing capacity for other business needs.

✓ PREVENT OUTDATED TECH

Financing provides you access to the latest and most advanced technology available.

✓ COMPETITIVE EDGE

Financing allows you to leverage the latest technology now for future benefits!
